Quality at all levels, Service at all times

Business Background & Basis

We have served the Memphis area for over twenty years. Our main brokerage focus is employee benefits. We are committed to a high standard in doing business and delivering top quality service.

We combine cutting edge technology and old fashioned service to provide a vast array of unique products and services. Our systems have been developed to provide detailed information in a simple and understandable format. Below are a few examples of the advantages we offer our clients:

- ❖ Our client's interest is always put first
- ❖ Solid working relationships with quality insurers and providers
- ❖ Cost conscious, quality marketing meeting your objectives
- ❖ Risk management programs that may help reduce annual renewals
- ❖ Years of experience with traditional and alternate funding
- ❖ Quality, value added services - unique to the market
- ❖ Communications via print, video, and audio
- ❖ In-house state of the art multimedia production facilities
- ❖ Flexibility to customize each client's program

We have purposely remained independent in order to provide our clients with the most objective and unbiased approach to the placement of their insurance, consulting, and cutting edge communication programs.

Standard Services

It is our objective to reduce the complexities of today's benefit market by providing top quality benefit service on a unique platform.

- **Service**
Professional and efficient
- **Analysis**
Producing more cost effective benefit design
- **Liaison**
Controlling the information flow
- **Objectivity**
As an independent advisor
- **Renewals**
Negotiate, market and justify benefit rate changes
- **Risk Management**
Special programs to help reduce medical, disability, and workers comp cost
- **Insurance Providers**
We maintain strong working relationships with top quality insurance companies, reinsurers and third party administrators.
- **Communication**
Unique and available in multiple formats
Proper communication is generally the single most important area of benefit planning. The success of your plans, in terms of cost, morale, company image and accomplished objectives hinges on proper communication. Our custom programs can provide that communication.
